SECTION 3 – ELECTION TO PARTICIPATE IN SETTLEMENT AND BENEFIT SELECTION:

Check the appropriate box below to confirm that you own or owned a P320 pistol that falls into one of the described categories, and you are hereby electing to participate in this Settlement. Your pistol will only fall within one of the three categories. For Category II pistols, please select the benefit you wish to receive.

Category I P320 Pistols:

Yes, I currently own a Sig Sauer P320 model pistol and I want to participate in this Settlement. I have not previously experienced a Cartridge Failure Event, and/or have not previously returned my P320 Pistol to Sig Sauer for repair after experiencing a Cartridge Failure Event, and thus, do not fall under the scope of Category II or Category III. I want to receive a transferable SIG Sauer Limited Lifetime Warranty against any future Cartridge Failure Event resulting from the use of Appropriate Ammunition on my P320 pistol. I understand that the benefits I am entitled to will only be available to me after the Court approves the parties' Settlement.

(To the extent your P320 pistol *has not* been previously upgraded, please check the below box if you would like it to be upgraded at this point):

My P320 pistol does not include the upgraded design (either by virtue of being upgraded pursuant to the Voluntary Upgrade Program or being manufactured with the upgraded design). I want to receive a pre-paid shipping tag, box, and written instructions on how to return my firearm to SIG Sauer for a Voluntary Upgrade, which will upgrade the design of my pistol to include the addition of a mechanical disconnecter, as well as an exchange of the trigger, sear, and striker with thinner, lighter versions of these components.

(If you previously experienced a Cartridge Failure Event with your P320 pistol, but you did not previously return the pistol to SIG Sauer for repair, please check the below box if you would like to return it at this point):

My P320 previously experienced a Cartridge Failure Event, but I did not previously return the pistol for repair. I want to receive a pre-paid shipping tag, box, and written instructions on how to return my firearm to SIG Sauer for evaluation and repair. I understand that I will be required to provide information to SIG Sauer regarding the Cartridge Failure Event, including information about the ammunition used.

PLEASE GO TO SECTION 4.

Category II P320 Pistols:

Yes, I own or owned a Model P320 SIG Sauer pistol that I previously returned to SIG Sauer after experiencing a Cartridge Failure Event. When I returned my pistol to SIG Sauer, I was told that my pistol could not be repaired. I want to participate in this Settlement, and I want to receive one of the benefits listed below. I understand that I will need to return my old P320 to SIG Sauer. I understand that these benefits will only be available to me after the Court approves the parties' Settlement.

(Choose One Option below):

- I want a refund of the price I paid for my P320, which I understand will be the greater of the original purchase price of my P320 Pistol or the Manufacturer's Suggested Retail Price for the same or similar version. I understand that I will also be refunded any costs I incurred related to the evaluation of my P320 by SIG Sauer. I further understand that, if I claim the original purchase price for my P320 was greater than the MSRP, I must mail proof of purchase (including my receipt) to the mailing address or the email listed on the first page of this claim form.*
PLEASE GO TO SECTION 4.

OR

- I want a new P320 pistol of the same or similar version to the extent state and local law permit a replacement firearm, which will include a transferable SIG Sauer Limited Lifetime Warranty against any future Cartridge Failure Event resulting from the use of Appropriate Ammunition. In the event SIG Sauer is precluded from providing a warranty replacement firearm, I understand that a refund will be provided as described in the above option. I understand that I will also be refunded any costs I incurred related to the evaluation of my P320 by SIG Sauer, including any shipping costs.*
PLEASE GO TO SECTION 4.

Category III P320 Pistols:

- Yes, I own or owned a Model P320 SIG Sauer pistol that I previously returned to SIG Sauer after experiencing a Cartridge Failure Event. SIG Sauer repaired my pistol, but I was charged for the repair. I want to participate in this Settlement, and I want to receive a full refund of the amounts I paid to SIG Sauer in connection with the repair. I also want to receive a transferable SIG Sauer Limited Lifetime Warranty against any future Cartridge Failure Event resulting from the use of Appropriate Ammunition on my P320 pistol. I understand that these benefits will only be available to me after the Court approves the parties' Settlement.
